Dear Customer

To enable us to improve our service to you and reduce turn around times for your refining, we seek your permission to generate Invoices on your behalf for any metal we purchase from you.

PLEASE NOTE: GST registered customers will receive an RCTI, (Recipient Created Tax Invoice), otherwise a Cash Purchase will be raised.

This will alleviate the need for us to request and receive Invoices from you prior to us returning your assay report and payout. Thus reducing our demands on you and allowing a more rapid processing of your payout. *(Please note that even in the case of metal exchanged for refining fees an Invoice must be raised for that metal amount).*

Thank you for your support.
Yours faithfully,

Alan Richmond
